

Teaching & Certifications

High Priestess Kaylani teaches workshops about using several different methods to **Awaken Your Inner Senses, Talents & Abilities**. She teaches wholistic understanding of the Aura, Chakra, Chi in her **Divine Mind Development** course. HP Kaylani trains & certifies others in the sacred art of **Reiki Mastership I, II & III**. She also teaches fluency & certifies instructors in **Muncie Lixsuwakan**, a northeast aboriginal American language.

Honoring the Ancestors

Rites of Passage Training

High Priestess Kaylani is well known for her years of work as the creator and facilitator of the Temple of Denderah Rites of Training for African Daughters. Temple of Denderah attendees learn about African femininity, womanhood, culture, sisterhood, feminine divinity, & history etc. Attendees go on cultural trips and are exposed to positive spiritual, political, professional, and well-rounded examples of African Mothers to help form a positive self-image that will develop a support system to assist in the making healthy life decisions. Upon successful completion of the course, the young ladies are initiated into higher levels of femininity and womanhood.

Women's Ministry

High Priestess Kaylani is the founder of Woman Alive Ministry, a branch of the Feminine Divine Collective whose goal is to assist women with reconnecting to their inner selves, femininity, divinity, authority, sisterhood, and spiritual empowerment. Meetings, events, and conference calls are held weekly. To participate in the Feminine Divine Collective call (931)682-6878 or email YabuzaGardens@gmail.com or chieftesskaylani777@yabuzagardens.com

Yabuz Gardens Wholistic Therapy

Zaynabou Kaylani El Bey is a Shaman Chieftess, Grand High Priestess (GHPS) of the Temple of Denderah, an ordained Divine Minister, a High Priestess after the Order of Melchizedek, took her Shahada in 2008 and is an initiate of Mouridiya African Islamic Sufi Brotherhood founded by Shaykh Ahmadou Bamba Mbackè, the Senegalese Freedom Fighter & founder of the city of Touba, Senegal.

GHPS Kaylani uses unique techniques such as reading auric fields, chakras & chi to give you clarification on how to better manage your personal energy, time, and thoughts to recharge, & refocus attention on your true goals.

As a Reiki Master/Teacher, GHPS Kaylani is adept at identifying the different forms of stagnant and destructive energy that may disturb your personal power, which ultimately leads to draining your life force.

The alternative to allowing negative energy to continue to wreak havoc on your existence, is to get an energetic cleanse so that you can once again live in proper alignment with your true purpose & destiny.

Spirit Consultations

Yabuz Gardens offers a variety of Spiritual Energy Readings to provide you with valuable information that will help to balance your internal energy so that you live in harmony with your inner nature and outer environment. **Some Readings include customized documentation of your results.
